

## Halogen Heaters

- Radiant electric heat, high efficiency
- Safety tip – over switch, over current protection and safety thermal fuse
- Recessed handle, portable and easy to carry
- Conforms to all relevant safety standards

G1HAL	1kW – 2 heat settings (500w and 1kW)
G2HAL	1.2kW – 3 heat settings, oscillating (400w, 800w and 1.2kW)
G3HAL	800W – 1 heat setting

## Upright Portable Fan Heater

- Resettable thermal cut-out
- Fitted with approved flex
- Frost guard protection

G2FH2E	2kW Upright fan, 2 heat settings, 1kW and 2kW
GFHU2	2kW Upright fan with thermostat, 2 heat settings 1kW and 2kW

## Mini Oil Filled Radiators

- Illuminated control switches
- Fully adjustable thermostat for effective heat control
- 700W
- Fashionably finished in silver

G20FH5W	700W Mini
