### Simply the Best

Formed in 1985 Fantasia have been credited as pioneers of the ceiling fan market in the UK. Over the past decade the range has increased from 12 models to over 60. They are now able to offer wall and ceiling lighting to compliment their fans.

Committed to quality, service and value for money the Fantasia fan motors are of silicon steel construction with double sealed bearings. These features ensure long, quiet, reliable and maintenance free operation.

**10 year warranty**
