

The Best in Display and Architectural Lighting

Since 1981 Illuma Lighting has been designing and manufacturing lighting fittings. All along we have been listening and responding to our customer's requirements and your needs are probably much the same as theirs...

- a wide range of products to choose from so you can achieve the lighting results you want
- quality products you can rely on
- products that are quick and easy to install – time is money after all
- prompt delivery so your project can be completed on time
- a reliable supplier who can provide technical advice and back-up when you need it
- and last but not least, value for money

Illuma's slogan is simple...

'Customer Satisfaction Guaranteed' and promises you all of these.

We are committed to fulfilling that promise and to giving you the kind of service you'll be happy to tell others about.
