

Insulated 100A Main Switch

GIC4IS	4 mcb ways
GIC6IS	6 mcb ways
GIC10IS	10 mcb ways
GIC14IS	14 mcb ways
GIC19IS	19 mcb ways

Insulated RCD Main Incomer

GIC563R	5 RCD Protected ways 63A, 30mA
GIC980R	9 RCD Protected ways 80A, 30mA

Metal Clad 100A Main Switch

GMC4IS	4 mcb ways
GMC6IS	6 mcb ways
GMC10IS	10 mcb ways
GMC14IS	14 mcb ways

MCB's and RCD's

MCB's

- 6 Amp
- 10 Amp
- 16 Amp
- 20 Amp
- 32 Amp
- 40 Amp
- 45 Amp
- 50 Amp
- 63 Amp
- Blanks

DP RCD's

- 25A 30mA
- 40A 30mA
- 63A 30mA
- 80A 30mA
- 100A 30mA

Insulated Split Load

GICS780R	4/3 Split 7 total MCB ways 3 RCD protected ways 100A Mains Switch 80A, 30mA RCD
-----------------	---

GICS1180R	6/5 Split 11 total MCB ways 5 RCD protected ways 100A Mains Switch 80A, 30mA RCD
------------------	--

GICS1680R	8/8 Split 16 total MCB ways 8 RCD protected ways 100A Mains Switch 80A, 30mA RCD
------------------	--

Garage Units

2 way installed unit
40A RCD 2 x MCB's

RCD Main Incomer

GMC563R	5 RCD protected ways 63A, 30mA
GMC980R	9 RCD protected ways 80A, 30mA

Multi Purpose Modular Enclosures

GIC3	2/3 Modular Insulated Enclosure IP20
-------------	--

GMC3	3 Module Metal IP20
-------------	------------------------

GIC4WP	4 Module Insulated Weatherproof IP54
---------------	--

TP & N Distribution Boards

- All distribution boards are supplied complete with pan assembly, neutral bar, earth bar and din rail
- Available in 4, 6, 8, 12 & 18 TP outgoing ways
- Manufactured from 1.2mm steel for maximum strength
- Raised mounting feet with key hole slots for easy fitting

G3PD04	4 Way
G3PD06	6 Way
G3PD08	8 Wa
G3PD012	12 Way
G3PD018	18 Way

Incomer not included

RCD Incomers

- 100A 30mA
Triple pole switched neutral
- 100A 100mA
Triple pole switched neutral
- 100A 300mA
Triple pole switched neutral

125A Switch Disconnecter

- 125A
Triple pole switched
Disconnecter kit
- Kit includes device and connections
to the busbar

10kA Triple Pole MCB's

- Type C**
- 6A
- 10A
- 16A
- 20A
- 32A
- 40A
- 50A
- 63A

Pro-Line Enclosed Switchfuses IP41

- 20A to 1250A available
- Fitted with BS88 cartridge fuses
- Fully load rated
- SP & N, 3, 3+N and 4 pole available
- BSEN60947-3 Conformity
- Metric knockouts top and bottom
- Door Interlocked padlockable handles

	Poles	Reference	Enclosure
20A	TP & N	SF20TPN	270 x 180 x 110
32A	TP & N	SF32TPN	270 x 180 x 110
63A	TP & N	SF63TPN	400 x 230 x 110
100A	TP & N	SF100TPN	400 x 230 x 110
125A	TP & N	SF125TPN	400 x 230 x 110
80A	SP & N	SF80SPN	250 x 115 x 60
100A	SP & N	SF100SPN	250 x 115 x 60

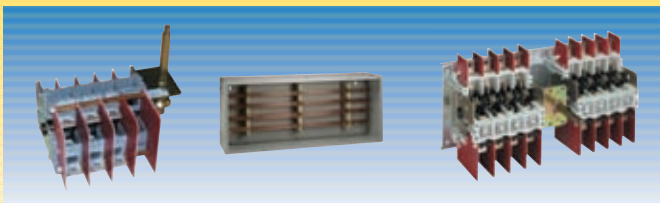

Pro-Line Enclosed Load Break Switches IP41

- 20A to 4000A available
- Fully load rated
- 3, 3+N, 4, 6 and 8 pole available
- BSEN60947-3 Conformity
- Metric knockouts top and bottom
- Door Interlocked padlockable handles

	Poles	Reference	Enclosure
20A	TP & N	LB20G	200 x 140 x 115
32A	TP & N	LB32G	200 x 140 x 115
63A	TP & N	LB63TPN	270 x 180 x 110
100A	TP & N	LB100TPN	400 x 230 x 110
125A	TP & N	LB125TPN	400 x 230 x 110
160A	TP & N	LB160TPN	400 x 230 x 110

Also Available

- Changeover and Bypass Switches 20A to 2000A
- Bushbar Chambers and accessories 200A to 800A
- Automatic Transfer Systems ATS 40A to 1000A

Custom built control stations and assemblies. All units available in a range of enclosures including sheet steel, stainless, plastic or GRP sealing up to IP65.
